

## INFORMATION SHEET 13

# CARING & DOMESTIC AGENCIES

This information sheet contains a number of private care agencies that provide home care or support to vulnerable people in their own homes or in the community. Agency staff may be able to assist with meals, washing, dressing, checking someone is safe or taking a person out.

The agencies below have either been vetted by Stockport MBC or are registered with the Commission for Social Care Inspectorate (CSCI). CSCI registers, inspects and reports on social care services.

The following agencies do all aspects of personal and domestic care. There will be a charge for these services. This includes sitting services, taking someone out and bathing:
